

SellersFi's Privacy Statement according to GDPR (General Data Protection Regulation)

GDPR is applicable to all entities (person, business or organization) that process personal data from any EU citizen or resident, regardless of where it's being processed. Personal data is defined by GDPR as "any information relating to an identified or identifiable natural person ('data subject')".

GDPR contains guidelines for data subjects, informing they have rights regarding their personal data processing. You can check below your rights as a data subject, which can be requested via our privacy e-mail privacy@sellersfi.com:

"Right to be informed"	You have the right to be informed about the collection and use of your personal data. You can check information on how we collect and use your personal data in our privacy policy https://sellersfi.com/app/privacy-policy/ .
------------------------	--

"Right to access"	You can ask if your personal data is being processed by SellersFi.
-------------------	--

"Right to rectification"	You can ask to update inaccurate/incomplete personal data being held by SellersFi.
--------------------------	--

"Right to erasure" or "Right to be forgotten"	You can request your personal data erasure if: 1) your data is no longer needed for the purpose it was collected/processed; 2) you have withdrawn the consent that enabled SellersFi to process your data; 3) you have objected for no overriding to continue the existing process; 4) your data is being processed unlawfully; 5) it's necessary to erase your data to be in compliance with a specific state/federal law.
---	--

"Right to restrict processing"	You can request to restrict your data processing if: 1) your data is no longer needed for the purpose it was collected/processed; 2) its accuracy is contested (and only until accuracy is verified); 3) your data is unlawful; 4) your data erasure process is pending;
"Right to data portability"	You have the right to receive the personal data you have provided to SellersFi in a structured, commonly used and machine-readable format. You have the right to transmit those data to another controller without hindrance from SellersFi.
"Right to object to processing"	You have the right to object to your personal data processing if the processing is related to direct marketing purposes.
"Rights around automated processing"	You have the right to not be subject to a decision that is based solely on automated processing, unless that decision is required or authorized by law.
